**Residents and Businesses Prepare for  
518 Area Code Overlay**

**Mandatory 10-Digit Dialing Begins August 19, 2017**

On August 19, 2017, the option to place calls within the 518 area using 7 digits will end, and all calls made within and between area codes 518 and 838 must be placed using the 10-digit telephone number. If customers forget and dial just 7 digits, then the call will not be completed and the customers will hear an announcement instructing them to hang up and redial using the area code. On September 19, 2017, the new 838 area code becomes effective, and customers receiving numbers from the 838 area code must dial the area code on every call placed as well.

**2017 BISHOPS FUND APPEAL**

***One Bread, One Body, One Family***

Our faith calls us to be committed to reaching out in help to our brothers and sisters in need. This Fall, the 2017 Bishop's Fund Appeal will begin in our parish. Your support of the Bishop's Fund Appeal will enable the Diocese to provide the vital ministries and programs that our parish could not provide on our own. At this time, we invite our summer parishioners to participate in this Appeal by completing a Bishop's Fund pledge/donation envelope which can be found on radiator covers. When completing the pledge envelope, please provide both your summer address and your winter address so that Bishop LaValley can thank you for your support. Please also indicate that you are a summer parishioner in our parish. You are welcome to mail the envelope to Bishop LaValley or return it by placing it in the collection basket. By giving to the Bishop's Fund Appeal, you can help us make a significant and dramatic impact on families and individuals in our community.
