

12TH SUNDAY IN ORDINARY TIME

JUNE 25, 2017

Jesus encouraged his apostles not to be intimidated or afraid because "Everyone who acknowledges me before others I will acknowledge before my heavenly Father." He comforted them, assuring that in God's eyes their worth exceeds a flock of sparrows. God knows them intimately and cares for them.

THANK YOU FR. STITT ... Today we say goodbye to Fr. Stitt who has been with us for the past nine months. We are sad to see him go, but happy that he has been assigned his first Pastoral position at St. Mary's in Canton. We would like to thank him for all he has done for us over these months. His enthusiasm and energy will be missed by all. On a personal note, I would like to thank him for all his help during my recovery from knee surgery as one of my coaches, preparing meals and anything else that had to be done! I am truly grateful. Thank you and God Bless - *Fr. Lewis*

A farewell reception for Fr. Stitt is planned for Sunday, June 25 at 11:00am at St. Patrick's Parish Center. Please join us in wishing Fr. Stitt all the best in his new endeavor. All are encouraged and invited.

With this in mind, any Masses that have already been scheduled on weekdays may have to be rescheduled to a later date. We will do our best to have all these Masses said in a timely fashion. We are sorry for any inconvenience that this may cause.

One of the Sisters of the Cross will serve St. Mary's and St. Patrick's as a Pastoral Associate. While details of the job descriptions are still being worked out, it is anticipated that the sisters will be involved in hospital visits, home visits, nursing home visits, youth ministry, faith formation programs and other duties to be determined. ENVIRONMENTAL STEWARDSHIP

Pope Francis expresses the value of environmental stewardship within the introductory section of his Encyclical Laudato Si : Care for our Common Home. "Young people demand change. They wonder how anyone can claim to be building a better future without thinking of the environmental crisis and the sufferings of the excluded. Particular appreciation is owed to those who tirelessly seek to resolve the tragic effects of environmental degradation on the lives of the world's poorest."
