**A HUGE THANK YOU!**

A huge thanks to a group of young teens from **Catholic Heart Workcamp** who spent 4 days at St. Mary's working around the premises cleaning, scraping, painting, discarding throw-aways, and doing whatever was asked of them. Hundreds of teens from across the country came together to work on a local level in Clinton County with the help of Seton for housing and feeding them for the week. The specific individuals and the team leader that worked here were outstanding, extremely polite, and a joy to work with. The group consisted of team leader Cherie Farina from MA and the teens: Steve Mott of New Jersey, Steve Furtkevic of Pennsylvania, Grace Petrick of Pennsylvania, Kathryn McCarthy from MA. **A job well-done and we would certainly welcome them back next summer!**

**ST. MARY'S HISTORICAL MARKER TO BE UNVEILED**

**JULY 8.....**The unveiling of St. Mary's Historical Marker at the former St. Mary's Academy site and made possible by the Pomeroy Foundation will be held on Saturday, July 8 2017 at 2:00pm at the Main St. property. **ENVIRONMENTAL STEWARDSHIP**

We often tell our children to clean up after themselves, but when it comes to the environment, it seems we are happy for them to clean up the mess we have created. The evidence is clear: we need action and we need it now. An average American generate 3.5 lb. of garbage a day. Suggestions to reduce that trash when grocery shopping: consider the packaging and how much trash it will create, i.e. individually - wrapped items, non-recyclable containers, aerosol cans. At the checkout use a reusable bag or ask for paper that is biodegradable.
